

## Tour of Sacandaga Lake, finish at UpRiver Café in Lake Luzerne

July 9<sup>th</sup> –6:00 PM

**Meeting Place:** West Avenue Plaza in Saratoga – corner of West Ave and Washington St. – There is a vacant store next to Dollar General. Meet in that section. Just for fun, try to park next to a Miata with the same body style as your car.

### Driver notes:

- We drive with headlights on to make it easier to identify the line of cars as we monitor in our rearview mirrors.
- There are planned pull off points to allow people to catch up after an intersection.
- If we pass through and lose someone, try to watch out for the guy in your mirror.
- For those who own FRS radios, we will use channel 16 with no priority code. Just for calling in case you get left behind at an intersection and cannot see us.
- If you tend to be a timid (slower) driver, let others go first.
- This route includes some sharp turns and plenty of curves – when was the last time you checked your tire pressure?!
- Mark's cell phone is 518.232.6544

### In case all else fails...the route is below:

- Route 9N for 11.5 miles
- Left on Route 10 toward Sacandaga Lake for 8.5 miles (see lake ahead)
- Sharp right on Route 7 for 2.9 miles
- Right on route 8 over Conklingville Dam
- Right on Route 4 (No Shore Road) to Lake Luzerne for 5.6 miles, where at 4 corners. We will turn left on Main St to the UpRiver Cafe, just down the street on the left.

Total distance: 28.5 miles

Estimated time 40 min?

This trip has great driving experiences and remarkable scenery (we can pull off at 1 or 2 places for pictures).

### Address of UpRiver Café:

29 Main St, Lake Luzerne, NY 12846

(518) 696-3667
